MEMORANDUM FOR: General Millard Lewis
Director of Intelligence, USAF

SUBJECT: Policy and Procedures for Overseas
Handling, Processing and Reporting
on Photographic Results of AQUATONE
Operations Far East (URPIC-2)

REFERENCE: Your Memorandum Dated 14 May 1957

1. From your referenced memorandum, it is noted that you intend to activate URPIC-2 in accordance with the approved SOP in order to meet theatre needs from Far East AQUATONE film originally processed in the ZI.

2. No objection is interposed to the action which you intend to take. As you suggest, in the event that a situation develops in which initial processing is required in the theatre, URPIC-2 would then be in a position to meet that need.
